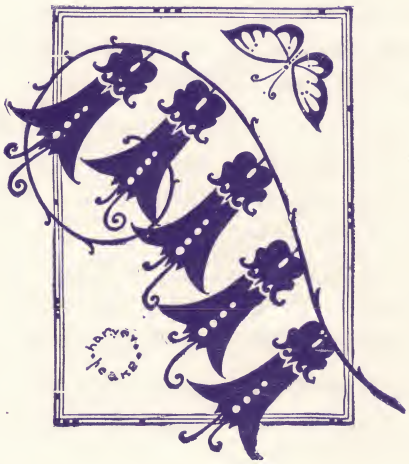
JUST A WORD FROM YOUR EDITOR

We must apologize for the lateness of the last issue. Printing difficulties arose, but we believe we have the promise that all further issues will be on schedule. Particularly we extend our regrets to the class of 1925 whose reunion notice was of little value due to the late arrival of the issue.

We would ask members to contact us re news —we have a feeling the News is getting in a rut, so news, ideas and suggestions would be welcome. What would you like to see in the News? Please let us know.

Congratulations to our graduates and happy holidays to all.

Congratulations to K. Gies who successfully completed special study in Industrial Hygiene and received her credit from the University of Toronto School of Nursing.



CONGRATULATIONS to Mr. and Mrs. Jas. Day who are celebrating their Golden Wedding on July 24th. Mrs. Day, who is one of our early graduates, has always been outstanding in her interest in the Alumnae Association and so as a token of our good wishes on such a festive occasion the Alumnae sent the happy couple a bouquet of golden roses.

Prime Minister Louis St. Laurent was host at a reception in the Sheraton Hotel in St. Louis, Mo., for the Canadian graduates of St. Louis University. Patricia Bradford, '46, was among those graduating.

ANNUAL SPRING TEA

The Annual Spring Tea was held in the Assembly Room of the hospital on Saturday afternoon, April 29th, from 3 to 6 p.m.

Guests were received by the President, Miss Lois Huck, and the Convener, Miss Dorothy Bergin, The Junior members of the Cathedral Choristers entertained during the Tea.

The Spring Tea has become one of the main social events of the Alumnae year. This year was no exception as the many guests, Alumnae members, Sisters and members of the Medical Staff, Internes, and Dietitians showed. Congratulations to the Executive for a very enjoyable afternoon.

We can't say we saw everyone, but we did see:

Mrs. Jno. Mulcahy (Mary Taylor, '01), of Pembroke, Ont., who had a real reunion and was warmly welcomed many times.

Mrs. Lawrence Lentz (Tillie Cherriere) of Algonac, Michigan, who says that it is an understood thing that she takes off for Toronto for the day of the Tea.

Marjorie Powers and Helen Warner, both over from Niagara Falls for the big event.

Mrs. Evelyn O'Donnell Clark from Barrie.

Cele O'Donnell Finnigan from Ajax, and Marg Stone Coughlin from Oshawa, enjoying every minute of their stay.

Mrs. H. Shoniker (Hilda Wintermeyer) of Kitchener, enjoying the Tea and knee deep in the 1925 Class Reunion plans.

Mary Calvert from Whitby, and Josephine Hefferman from Oshawa, teaing and chatting.

Betty Kay Webster from New York City, the centre of a group all afternoon, catching up on the news as Betty Kay hasn't been home recently.

The same is true of K. DeDiano of Sudbury, who enjoyed the afternoon.

Helen LeBeau from Penetang and Catherine Bannon from Burlington enjoying the afternoon.

Mrs. M. Byrnes of Collingwood chitchatting with one and all, as was Pat Tascherau of Chatham.

Enjoying their tea and the congenial company we noticed Dr. K. Welsh, Dr. F. O'Leary, Dr. and Mrs. W. Hall, Dr. and Mrs. W. Noonan, Dr. and Mrs. W. Metzler, Dr. J. McCrae, Dr. J. McGoey, Dr. W. Smith, Dr. Blanchette, Dr. F. McInnis and Dr. and Mrs. J. McCormack.

Sunnybrook Military Hospital was well represented by the presence of Marie Pilon, Velma Chapman, Isobel Rowland and Georgina Elliott.

It was nice to see Mrs. Leo Killoran, Mrs. K. Heard, Mrs. E. F. Brooks, and Mrs. J. Hall enjoying the afternoon.

Our roving eye also picked out Mrs. W. Dunbar, Ethel Crocker, Roselle Grogan, Gert Egan, Grace Coyle, Mrs. J. Devaney, Edna Blainey, Laura McGurk, Helen Cronin, Helen McGeough, Marian Holmes, Bertha Ryan, Albani Beaudoin, Lorine McIntyre, Mrs. C. Scully, Louise Harkin, Florence Conlin, Marie and Irene Nealon, Marilyn Moore, Mame Moir, Philomena O'Boyle, Mrs. M. Haffy, Audrey Kearns, Mrs. Peter Roche and Edna Rogers.

We kept tab on Mae Greene Keyser, Lenore Delanty Slingerland, Adele Knowlton Hickey, Eileen Kelly Quinn, Florence Adie Atkinson, Mrs. Reg. Waller, Mrs. R. Ryan, Mrs. Margaret Baker and Mrs. K. LeBeau, all of whom we saw during the afternoon.

Later we saw Aileen Reynolds Tudhope, Ruth Phillips Gubb, Norma O'Connor, Kay Hammill, Adele Johnston, Kay McCully, Veronica Murphy, Gladys Gannon, Mrs. Rita Lortie Culnan, Mrs. Eunice Darragh Richards, Genevieve Donovan, Mrs. Ruth Steele McDonald and Genevieve Donovan.

A TRIBUTE TO ST. ELIZABETH VISITING NURSES' ASSOCIATION

We know many of our members are aware of the wonderful work accomplished by the St. Elizabeth Visiting Nurses Association but we thought we could point out that they could all have a small part in furthering that work. How? By joining the Associate Membership! The fee is $1.00 per year and may be paid to your Parish Convener or to Grace Murphy at St. Michael's Hospital.

The St. Elizabeth Visiting Nurses' Association is a member of the Community Chest of Greater Toronto and as such is a Red Feather Service but it is also vital that it have other sources of revenue. This comes from the Associate Membership fees. The Membership is under an able Board of Directors, one of whom is Miss G. Murphy of St. Michael's. You can also help the organization by recommending it to your friends —when? Well, for example, in the case of the chronically ill patient, the visit of the nurse is a bright spot in his day, or when a young mother goes home with her new baby, the St. Elizabeth Nurse will help her settle all those myriad of small problems that arise.

The purpose of the St. Elizabeth Visiting Nurses' Association is to bring nursing care to Catholic and non-Catholic patients in their homes. The nursing staff is made up of Registered Nurses, all of whom hold University Diplomas in Public Health Nursing. They are under the able direction of Miss Helen Heffernan, well known to St. Michael's nurses. They carry out their splendid work in Toronto, the Lakeshore district and Hamilton. A nominal charge is made to those who can afford their services, but those who cannot afford to pay are never denied.

The following gives in small part some of the services.

1. Nursing care and health teaching in the home to men, women and children.
2. Teaching of the hygiene of pregnancy to expectant mothers.
3. Assisting physicians with home confinements and giving daily bedside care and health teaching to mothers and babies after home or hospital confinements.
4. Assisting in Well Baby Centres, giving Health Service in Rural Separate Schools and teaching in Prenatal Centres.

SILVER ANNIVERSARY RE-UNION—CLASS OF 1925

On June 3rd and 4th, the class of 1925, held a successful anniversary re-union. The idea had been mentioned several times by the various members who live in Toronto, but nothing definite was done about it until Hilda Wintermeyer Shoniker took the matter in hand. Then with help from Em Gignac Stone, Bertha Ryan and K. Welsh, plans were made and we had the most satisfactory re-union a class could wish.

The Royal York Hotel was the meeting place at 5:30 p.m. June 3rd—just in case anyone needed to be introduced. In that first hour, it was hard to realize that so many years had rolled by. Each of us was proud to be a member of the class of '25 and it was wonderful to be together again.

There were sixteen at the dinner and since it was Ember Day, we did appreciate the dispensation that had been granted and enjoyed a chicken dinner. Then we took in a Variety Show at the Royal Alexander Theatre—it was a series of laughs from start to finish.

After the show we returned to the Royal York for a "reminiscing party." Those of us with families were proud of the pictures we had brought. And by this time, we were telling each other exactly what we thought the years had done to us. The remarks were really complimentary.

Norah Gleeson Robert of Windsor joined us before midnight. Her eldest daughter had graduated from Western University in the afternoon, and Norah, the good sport that she is, came on to the reunion, after the Convocation. Norah walked in armed with a well-worn graduation picture and identified and kissed each one of us. During that get-together, we learned that

the younger fry consistently confused Jean Clark and Essie Taylor Smith.

On Sunday morning, the eight o'clock Mass in the Chapel was offered by Father Wilfrid Smith for our deceased members, Mary Meehan, Olive Sheridan, Dot Potter Young, Dorothy McDevitt and Margaret McGinley Ethier.

Then we had breakfast in the new cafeteria and naturally, the topic under discussion was the vast difference in the dining room service now as contrasted with away back when. The cafeteria is one we can boast about, students, graduates, internes, staff doctors and the technical staff use this modern service.

Early in the afternoon, Sister St. Albert (the only one of our class in religion) took the out-of-town girls on a tour of the hospital and residence, explaining the modern equipment and its use. Sister Mary Kathleen was more than generous in helping us locate names and addresses of some who had not been in touch with the class recently. We are most grateful to Sister for making us so much at home in the afternoon.

The Tea held in the Residence from 3 to 6 p.m. was a pleasant and friendly affair. Friends from other years, the Sisters, those active in nursing and those busy with families, came to renew old friendships.

Irene Curley Healey, from St. Catharines, joined us early in the afternoon.

When the guests had gone, all of us except two who had dinner appointments, left for the home of Kay Welsh. Kay had a surprise buffet supper and oh! was it good! After four cups of Kay's superb coffee we were just in the mood for yarns of the "good old days"; laughs galore, and when we broke up we made an unanimous decision to meet more often and to keep our 1925 St. Michael's spirit bright.

On behalf of all who were present, a sincere thank you to Sister Mary Kathleen and Hilda Shoniker! And to those who were not able to be with us, we hope that you will be the next time. Suggestions for future plans may be sent to our successful convener, Mrs. H. J. Shoniker, R.R. No. 1, Preston, Ont.

P.S.:—Norah Robert and Essie Smith each have a daughter going in training in September.

Eileen Ryan Berthelotte, of Mount St. Louis, could not be present because Helen Denise arrived in this world on June 11, 1950.

K. Gies, '25.

REGISTERED NURSES' ASSOCIATION OF ONTARIO ANNUAL MEETING

The annual meeting of the R.N.A.O. was held in the Royal York Hotel on April 27 with Miss Rahno Beamish in the chair. The meeting was well attended and we saw many St. Michael's nurses present. Our nurses helped at the Registration desk and Grace Murphy was in charge of arrangements for the Banquet. We were all pleased and happy at the ovation given her for her very successful efforts. The speaker at the Anniversary Dinner was Charlotte E. Whilton, C.B.E., M.A., D.C.L., L.L.D., and her subject "Our Health Bridge Is Falling Down, My Fair Lady". As an extra festive touch, Al Bollington was at the organ and James Shields, tenor, was guest soloist.
